25X1 [] Talked with [] regarding
25X1 the status of the two projects which OCL is doing for the Jackson
Subcommittee. [] said that a draft of the paper on the Soviet
Union would be ready by next Monday and the draft of the Communist
China one would be ready about a week later and that final drafts should
be ready from 15 to 20 days thereafter. He pointed out that none of
these papers had been thoroughly coordinated within OCL, however, he
offered to make a draft of the Soviet paper available to the Subcommittee
staff on Monday if they cared to see it. I told [] I would check on
this and be back in touch with him. 25X1
